Idwal Class – Nursery, Reception and Year 1

Welcome and who's who

A warm welcome to you as parents/guardians to Idwal Class. The class staff are Miss Ild Humphreys (teacher), Miss Catrin Parry (classroom assistant) and Miss Michelle Roberts (classroom assistant). Our theme for the next half term will be 'My friends and me' and we will be concentrating on various elements of family life, the members of the family and learning about the human body and the senses. We will also be looking at the toys children played with in the past. If you have any relevant artefacts, books or pictures we would be very grateful to borrow them. We will also have a doctor's surgery role play area within the class, please let us know if you specialise in this area – a visit or talk would be a valuable experience for the children!

Reading routine

The pupils in the Reception Class and Year 1 will be bringing reading folders home. The folders will be sent out on Friday and should be returned on Monday morning. Further information will be sent out during the next few weeks.

Physical Education

Your child will need suitable clothing for physical education activities which are t-shirt and shorts. The clothes will be kept in school for the term. They do not need special shoes at the moment – we will let you know if this changes during the year.

Wellingtons

Outdoor activities play a vital part in the Foundation Phase activities and the pupils will experience a range of activities in a variety of weather. Please can you provide a pair of wellingtons in a bag labelled with your child's name. They will be kept in school for the year.

Labelling clothes

We appreciate that school uniforms are costly and we kindly ask you to ensure that every item of clothing is labelled with your child's name in order to minimise the risk of misplacing items of clothing.

Class dojo

The school uses 'Class dojo' as one means of communicating with parents. We will be providing more information regarding joining class dojo within the next few weeks so that you can receive relevant information regarding your child.

Who collects your child from school

In order to ensure the safety of your child, please notify us if there is any change to the regular routine regarding who collects your child from school. Please notify a member of the classroom staff or phone the school before hand.

Expertise

Please remember to let us know of any expertise you may have which would benefit the school, e.g. gardening or building skills.

Thank you very much for your co-operation and support. Please do not hesitate to contact us if you have any concerns or feel unsure about anything. Miss Ild Humphreys
